## BioProject ID PRJNA643927

Received: **Friday, July 3, 2020 7:32 AM**

From: **bioprojecthelp@ncbi.nlm.nih.gov**

To: **brausm@protonmail.com**

Dear Michael Braus,

This is an automatic acknowledgment that your submission:

SubmissionID: SUB7713990  
BioProject ID: PRJNA643927  
Title:

has been successfully registered with the BioProject database. After review by the database staff, your project information will be accessible with the following link, usually within a few days of the release date that you set (or the release of linked data, whichever is first):

<http://www.ncbi.nlm.nih.gov/bioproject/643927>

Please use the BioProject ID PRJNA643927 with your correspondence and your data submissions.

Send questions to [bioprojecthelp@ncbi.nlm.nih.gov](mailto:bioprojecthelp@ncbi.nlm.nih.gov), and include the BioProject ID and organism name.

Regards,

NCBI BioProject Submissions Staff  
Bethesda, Maryland USA
