

SRA submission SUB7713990, "In situ pH of Wisconsin Soil Microhabitats, Jul 02 '20"

Received: **Friday, July 3, 2020 9:52 PM**

From: **sra@ncbi.nlm.nih.gov**

To: **brausm@protonmail.com**

Dear Michael Braus,

This is an automatic acknowledgment that your recent submission to SRA database has been successfully processed and will be released on the date specified.

Please reference PRJNA643927 in your publication. This BioProject accession number is provided above in lieu of SRP and should be used in your publication as it will allow better searching in Entrez.

SRA accession: PRJNA643927

Temporary Submission ID: SUB7713990

Release date: 2020-07-03

Your SRA records will be accessible with the following link after the indicated release date:

<https://www.ncbi.nlm.nih.gov/sra/PRJNA643927>

Send questions and update requests to sra@ncbi.nlm.nih.gov; include the SRA accession PRJNA643927 in any correspondence.

Regards,
