\*\*\* This is an automated message, replies may not be answered. Please call us at 715-387-2523, ext. 11 if you need additional information. \*\*\*

This message is to notify you that we have received the 47 sample(s) you have submitted for analysis. For your reference, the lab information for your sample set is Lab # 5118.

Based on the analyses you have requested and the current volume of samples in our queue, we expect your results to be delivered on 10/19/18, plus or minus two business days. If your results are not delivered on time, please contact us for an update.

You can check the status of your samples and view reports as they become available by clicking or copying the following URL into your web browser: <http://uwlax.soils.wisc.edu/test-status/?loc=B&lab=5118&labyear=2018&key=tviekjLNCX3dahSZvVCvQXmzL5mJcl6z>

UW Soil and Forage Analysis Laboratory
